

CNE Launches 2023 Secret Menu, presented by Invisalign®; and Food Truck Frenzy has Begun with More & New Food Offerings

Toronto, ON (August 20, 2023) -- CNE foodies rejoice! There are even more new food experiences to indulge at the CNE, as 25 of Toronto's best food trucks line Princes' Blvd offering everything from butter chicken samosa sandwiches to the popular chocolate bar cookies from Craig's Cookies – one of this year's new food trucks joining the **CNE's Food Truck Frenzy and Craft Beer Festival**, on until September 4th.

And food hunters on the lookout for something new to try should seek out this year's new **CNE Secret Menu**, presented by Invisalign®. Available by request only, visitors might not see these items on the menu - just as you wouldn't see the virtually invisible clear aligners from Invisalign® - but these items are worth the pursuit.
