

**SUGAR AND SPICE, AND EVERYTHING NICE**

**CNE's line-up of new foods for 2024 are supersized in every way**

Get ready to EX-cite your tastebuds! The Canadian National Exhibition (CNE) is serving up an eclectic line-up of sugary confections, unexpected flavour combinations, and supersized portions of favourite fair foods. A **giant foot-long samosa** can only be outmatched at the CNE by a **15-inch diameter donut** that is made for sharing (to eat) and for the 'Gram. Also, deep-fried creations have gone wild this year with a **deep-fried butter chicken lasagna, butter chicken corn dog, deep-fried pickle oreos, deep-fried mozzarella stick hot dogs**, and even a **spiral-cut pickle on a stick** that is deep-fried and tossed with flamin' hot Cheetos, or with crushed dill pickle chips.

Spicy food lovers can rejoice in everything from **wasabi ice cream** to **jalapeno lemonade**, and there's even a **whole softshell crab-on-a-stick** drizzled with ketchup, mayonnaise and of course...hot sauce. Everything at the CNE is coming up rainbows with many colourful foods such as a bright red **Kool-Aid sauce chicken sandwich**, a **tzatziki cheesecake**, **ube street corn** smothered in purple yam, and a '**unicorn**' street corn covered in rainbow queso.

Come hungry, come all! The CNE takes place August 16 – September 2, 2024.
